Kumpal Agrawal Mittal

Kumpal & Associates was established in 2002 by Mrs. Kumpal Agrawal Mittal with the belief that a beautiful decor can have positive impacts as well as beneficial influences in lives. She believes that an individual's home interior and decor will reflect his or her personality. Her love of design and her ability to bring out and execute the best for the clients are the main factors responsible for huge success of Mrs. Agrawal in the field of interior designing. According to her what really matters is not about the latest trends or fads but to bring out what exactly the client really desire.
